MedStar Mobile Healthcare is the exclusive emergency and non-emergency mobile healthcare provider to Fort Worth and 13 other surrounding cities including Haltom City, Saginaw, White Settlement, Forest Hill, River Oaks, Lake Worth, Sansom Park, West-worth Village, Blue Mound, Edgecliff Village, Haslet, Lakeside, and Westover Hills

### Ambulance Crew

- ALS: 1 Paramedic and 1 EMT
- BLS: 2 EMT's

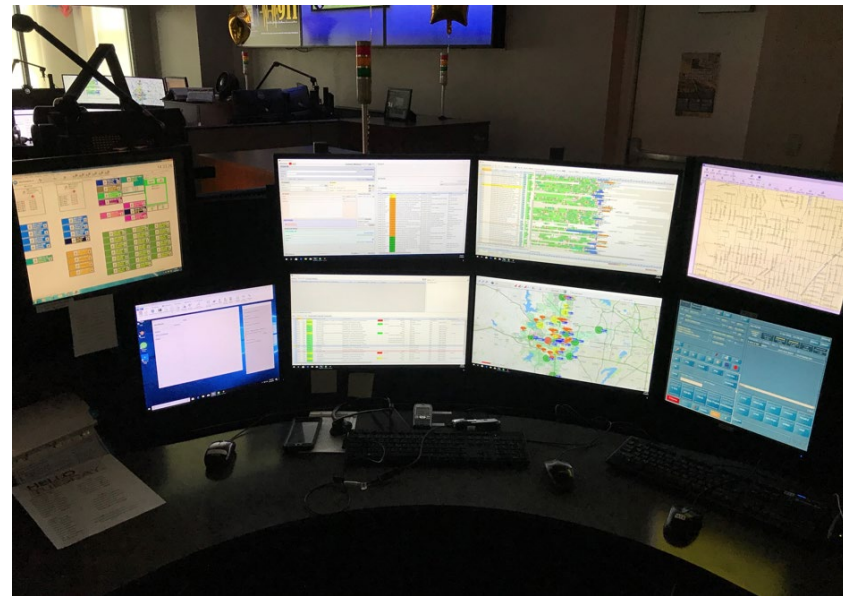

Ambulances are stocked with standard equipment and supplies to provide care at an event. Ambulances can be dedicated to the event or dedicated to transport from the event.

### First-Aid

- 1 Paramedic
- 1 EMT
- ALS: 1 Paramedic and 1 EMT
- BLS: 2 EMT's

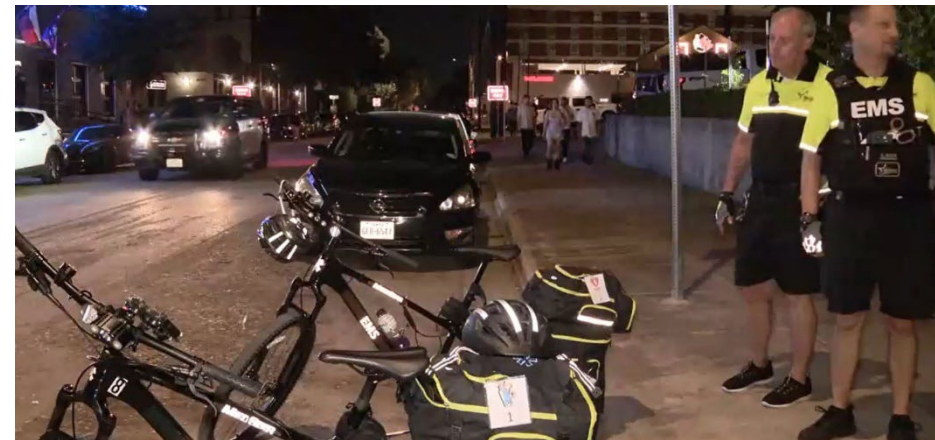

Setup at a static location with a tent, tables, chairs, ALS and/or BLS Equipment. Location will have BLS and/or ALS supplies and equipment to handle any medical or traumatic event. First-Aid Stations are useful to support mobile teams at organized runs and large events.

- MedStar is the only EMS provider with interoperability with local police and fire departments.
- State of the art Communications Center.
- Event Medical Plans including historical data and recommendations of coverage based on industry standards.
- Support of the entire Med- Star 911 System.
- Physician oversight by the Office of the Medical Director.

MedStar participates in events such as sporting activities, Concerts, parades, fairs, block parties, air shows, auto races and private parties to name a few.

**Make MedStar Event Medical your choice for EMS coverage.**

### Bicycle Emergency Response Team (B.E.R.T.)

- BLS: 2 EMT's

Team of 2 personnel to provide BLS and/or ALS care at a Special Event. The Bike Team carries supplies to handle any medical or traumatic event. Bike Teams are useful at organized runs, parades, and street fairs.

### Mule Team

- ALS: 1 Paramedic and 1 EMT
- BLS: 2 EMT's

Team of 2 personnel on a Kawasaki Mule equipped with a stretcher and BLS and/or ALS Equipment.

The Mule Team carries supplies and equipment to handle any medical or traumatic event. Mule Teams are utilized at organized runs, parades, street fairs and other sporting events.

### Rodeo Team

- ALS: 1 Paramedic and 1 EMT
- BLS: 2 EMT's

Team of 2 personnel to provide BLS and/or ALS care at a rodeo or event involving livestock. Rodeo Team carries supplies to handle any medical or traumatic event. Rodeo Team personnel are trained in specific injuries and procedures related to rodeos and events involving livestock.

### Supervisor

- Paramedic
- MedStar Operations Supervisor

The Operations Supervisor is responsible for coordination and communications between the event staff, MedStar Teams on scene and other public safety agencies on scene. The Supervisor will be stationed at a command post with other public service agencies represented on scene.
